## Ways to Giving

It is encouraging to see both new and familiar faces at our worship services. Throughout the year, many of you already support the congregation with your time, talent and financial contributions but greater participation is always welcome. We encourage you to look into our electronic giving program. It takes just a few minutes to set up a recurring giving plan. Contact the church office for more details or pick up an authorization form today. Enjoy the Convenience of Electronic Giving

The graphic features the text "The Gift of GIVING" in red and black, with "WAYS TO GIVE" in large black letters. Below this, there are four icons representing different giving methods: a church building, a document, a computer monitor, and a hand holding a check. The text "St. John's United Church of Christ Jonestown, PA" is visible in the bottom left corner of the graphic.
